POWER THE WORLD

PERSONNEL OUTSOURCING SERVICES

Advantages of personnel outsourcing services of Fircroft Company:

- ✓ **Payment only for actual work execution of employee.** You release yourself from administrative expenses to search, arrange, escort and terminate personnel, tax expenses for personnel, allow to reduce the number administrative staff (Human Resources, Payroll Accountants, Medical Insurance and Training Accountants and etc.)
- ✓ **Actual payment.** Payment for outsourcing personnel shall be carried out per the schedule that suits You by taking into account seasonality of Your business and with the possibility of payment delay. Fircroft Company has a stable, financial position to search for suitable payment schedule for each client.
- ✓ **Cooperation as long as required.** In case You need to recruit employee for the specified period, we provide You with a qualified employee for the period that is indicated in Your request to provide service according to the fixed rate without any expenses.
- ✓ **Material responsibility.** Fircroft shall take full responsibility for employee's arrangements (arrangement of medical insurance, Safety compliance and etc.).
- ✓ **Work with State Organizations.** Fircroft shall perform all activities with state organizations (Ministry of Labour and Social Protection, Migration Police and etc.) per personnel.
- ✓ **Management of Pay-roll Fund.** Possibility to effectively manage free monetary funds from Pay-roll fund until payment date for service. Use funds for operational needs.

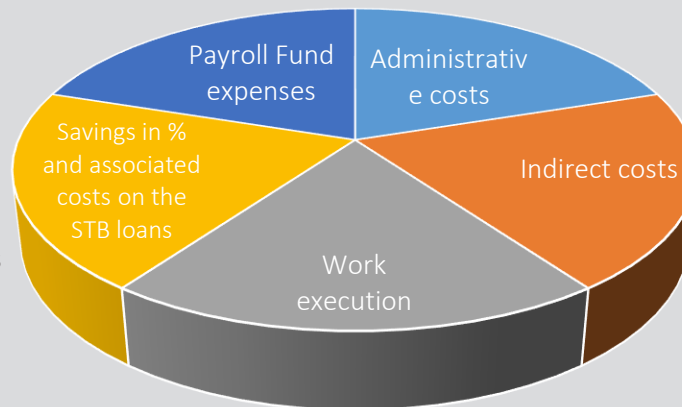

PERSONNEL OUTSOURCING SERVICES

Position on reducing costs due to personnel outsourcing services:

PF costs. There is no need for reimbursement, when dismissing the employee, as he is Fircroft staff.

Savings in percentage (%) and associated costs on the STB loans. High (%) percentage rates and strict requirements for borrowers, do not allow to take the credit for operating needs. Fircroft keeps payroll fund given the seasonality of the company's business (customer support pay offices in the gap period due to seasonality)

Execution of works. Overpayment of employee's standby in the event of the need for replacement of an employee, providing new employee within 1 day. Implementation of works at the due date, no more or no less.

Administrative costs. Salaries of administrative staff on personnel control

Indirect costs. Reducing the tax burden on health insurance costs, training, personal protective equipment, payment for unused vacation and etc.

WORK PERMIT/VISA SUPPORT

Work Permit

Foreign citizens who work in Kazakhstan and Russia need to have a Work Permit issued by the appropriate government authorities. The Work Permit is obtained by Fircroft on behalf of personnel.

During the work permit process a Fircroft representative is in constant contact with personnel to update him/her on the application status. The duration of each work permit is 1 year with 3 times extension on an annual basis for work in Kazakhstan and up to 3 years for work in Russia. This is under the control of the various government bodies and time taken to obtain foreign work licenses can vary considerably.

WORK PERMIT/VISA SUPPORT

Letter of Invitation (LOI)

Once the Work Permit is issued for work in Kazakhstan, Fircroft applies for LOI which is also used by Kazakh authorities and the process takes from five to seven days depending on citizenship of personnel.

LOI for work in Russia is applied for simultaneously with work permit application. This document is needed to apply for Russian visa abroad.

Visa

The Kazakh visa is issued in the Kazakh Embassy in personnel's country of residence and is valid for one year with two more extensions according to Work Permit. Fircroft representatives send personnel instructions how to apply for a Kazakh visa with LOI once it is issued. The visa process takes around three to five days depending on personnel's citizenship. The following documents are to be submitted to the Kazakh Embassy in personnel's country, Fircroft representatives provide the detailed information via email to personnel.

The Russian visa is issued in the Russian Embassy in personnel's country of residence. In case additional assistance is required Fircroft Russia can liaise with visa teams in Fircroft foreign offices in person's country of residence.

PERSONNEL OUTSTAFFING SERVICES

Personnel Outstaffing Services is one of the main services of Fircroft Company, which is implemented for major local and international companies in Kazakhstan and Russia. If your company requires the implementation of a temporary project and/or services in another city/region, it is a waste of time to establish office and employ personnel, as well as the transfer of your staff to a project, while wasting precious time and money (travel, work allowance in other regions, search for and payment of accommodation, etc.) to implement the project, then Personnel Outstaffing service of Fircroft Company will allow your company to eliminate all of these risks and costs.

PERSONNEL OUTSTAFFING SERVICES

Advantages of Personnel Outstaffing Services of Fircroft Company:

- ✓ **Saving money.** No need to transfer staff to another region, bringing enormous expenditure on accommodation, food, transportation, travel, bonuses, vacation pay for a temporary project.
- ✓ **Saving time.** It is necessary to mobilize the labor force in a short time, to implement the project and / or services. Qualified personnel shall be chosen and registered in the company's staff Fircroft within the shortest possible time for your project and/or services.
- ✓ **Exemption from all duties toward staff.** Search, interview, Safety training, insurance liability, the mobilization fully lie with Fircroft company. Release from accounting, legal and personnel matters, as well as the work and responsibility to State Organizations of RoK and Russia.
- ✓ **The absence of risk.** Solving of possible conflicts of employees, dismissals, suspension from work, immediate replacement of workers fully lies with Fircroft company, your company will not be distracted from implementing the project and/or services.

PERSONNEL OUTPLACEMENT SERVICES

Fircroft company has an extensive experience in providing Personnel Outplacement Services to many companies in the territory of Kazakhstan and the CIS.

Companies use Personnel Outplacement Service when dismissal is not due to non-fulfillment of employee's duties, but when it is connected with the process of reorganization, reduction and staff optimization or liquidation of enterprise.

Within the framework of **Personnel Outplacement Services**, Fircroft company holds consultation on employment of reduced staff by former employer, consultation and promotion of downsizing staff in the labor market both in Kazakhstan and the CIS, consultation and organization of the termination process in a most generous way.

PERSONNEL OUTPLACEMENT SERVICES

Advantages of Personnel Outplacement Services of Fircroft Company:

- ✓ **Court proceedings.** Personnel outplacement service allows to avoid court proceedings in cases of dismissal of employees;
- ✓ **The loyalty of employees.** Outplacement of an employee allows to develop loyalty to the company and it is easy in the future to get him/her back again to the company. It develops a sense of caring for him/her by the company;
- ✓ **The effectiveness in a period of crisis.** The service is very crucial in a period of crisis, as in this phase especially careful approach should be made to the dismissal process, since it will be necessary again to return back the professional staff to the company in the future.
- ✓ **Commercial confidentiality.** Loyalty to the company due to the Personnel outplacement service to avoid risk of disclosure of confidential or commercial information to third parties or competitors.
- ✓ **Avoiding costs.** Effective outplacement allows the company to avoid unnecessary social benefits;
