

Business Development and Matching for the ICT Sector

Taipei

Under the Small Business Initiative, the European Bank for Reconstruction and Development (EBRD) is organising the business matching trip for SMEs in the ICT sector. During the programme, owners and executives of SMEs will travel to Taipei, to explore the latest industry trends, find new partners, and seek business opportunities to grow their businesses.

When 27 May – 1 June 2019 (Arrival date: 26 May, 2019)

Programme **1. COMPUTEX TAIPEI**

Established in 1981, COMPUTEX TAIPEI (also called COMPUTEX) is the leading global ICT and IoT show with a complete supply chain and ecosystems. In 2018, COMPUTEX hosted about 1,600 exhibitors from 30 countries and 42,200 international visitors from over 165 countries as one of the leading B2B professional ICT trade shows in the world.

2. One-to-one business matching meetings

Pre-arranged business meetings with Taiwanese companies that visiting enterprises wish to meet. These can add significant value; EBRD organises the meetings and they allow the visiting enterprise to engage directly with potential suppliers and business partners.

3. Business visits to major electronics companies in Taipei

to learn about their solutions, successful experiences and establish possible business links.

Eligible participants

Up to 15 active senior-level executives from leading ICT sector companies.

Costs

Participants are expected to incur the cost of airfare to and from Taipei. Per diem that covers the cost of a hotel room, food and incidental expenses related to the trip will be reimbursed by the EBRD.

How to apply

Please send the application form to your regional EBRD office.
